

***Wouldn't it be great to have a network
of local GLBTQ professionals and allies
that you could turn to whenever you needed
business advice?***

The good news is that you are not alone, and you'll never have to feel that way again if you make plans now to attend our upcoming Business Networking Mixers for Wichita and the surrounding area.

Sponsored by the young professionals at First Metropolitan Community Church of Wichita, Business Networking Mixers offer a safe and supportive networking opportunity for our local GLBTQ community and its allies, where business professionals like yourself can meet and discuss common issues and concerns in and around the workplace. These monthly gatherings allow business professionals from all walks of life and all types of businesses to develop professional and personal relationships that can help make work... and life!... a lot less stressful.

Won't you please join us on May 29 from 5:30 p.m. to 7:00 p.m. at the Images by **Kelsy Gossett** studio, located at 2322 E. Douglas Ave. Our guest speaker will be community leader and editor of The Liberty Press, our state's premiere GLBTQ newsmagazine Ms. Kristi Parker.

We'll supply the refreshments and appetizers--all you need to do is bring yourself and a handful of business cards! For more details you may e-mail us at: wichitapbm@gmail.com.

See you at the mixer!

P.S.—Please feel free to make copies of this invitation to pass out to your friends!
